

Our Visit to the German FGBMFI Conference

Eric Woodward and I attended the Christian Im Beruf Conference at Kurzentrum in Weissenstadt, Germany, from Friday 23rd to Sun. 25th September, 22. We met up at the Ramada Hotel near Stansted Airport on Thursday evening, the 22nd September. We planned to have an evening meal together, but the hotel was at a Service Station, and there were only fast-food places, so we asked the hotel reception if there was anywhere where there were proper restaurants. They said that there was a good restaurant in the nearby town about 20 minutes drive away, and Eric was willing to drive us there. We had a nice meal and were served by a young waitress from Colombia. She asked us where we were going and we told her that we were going to a Christian Conference in Germany. I asked if she knew Jesus. She said that the previous day she had been to a Church seeking after God and asking for help. I shared the Gospel with her and she prayed a prayer with me, giving her life to the Lord. She said, 'I don't believe in coincidences. God brought you to this restaurant this evening', Praise God!! (See Photograph). The following day we caught a flight from Stansted to Nuremberg, Germany. The flight was delayed by 3 hours, and we wondered if there would be anyone in Nuremberg to meet us. Thankfully, Rodney and Judy Raddiffe had waited there for us with the manager of the hotel where we are staying. We were so relieved! The manager drove us all to the Conference Centre at about 100 miles per hour, and we arrived safely about an hour and a half later. A meal had been saved for us, and we were able to be there for part of the evening meeting. The main Speakers at the Conference were Thierry Kopp (a former drugs dealer and pimp), and Volkhard Spitzer (Founder of the German Jesus-People-Movement). Eric and I had an opportunity to share about Life Stories on Saturday afternoon. People seemed very interested and downloaded the App on their phones. I was asked to pray for people on a number of occasions, and the Lord moved in a powerful way. On the Sunday morning, as the Conference was ending, I was asked to pray for people to be healed. There was a wonderful sense of the presence of the Holy Spirit, and many people acknowledged that they had been healed. To God be the glory! On Sunday afternoon, the hotel manager, Raik, drove us back to Nuremberg. On the way I shared my testimony and the Gospel with him. He seemed very moved. Please pray for his salvation. We had a nice meal with Rodney and Judy in Nuremberg, before we went on the underground train to the airport, and caught our flight back to Stansted.

GET INVOLVED

We are, at lifestoriesworldwide, very conscious that our aim is to support the local church and help bring this harvest into the local church. To aid this we would like to offer on a Sunday night an opportunity for churches to reach their communities through Facebook.

If you would like to get involved with this please let me know and I will let you know what we need to make this happen.

We would love more people to record their Salvation Story. If you are wondering how you can do it, here is a simple formula to follow:-

If you can record a video with your mobile phone and then send it to me on whatsapp - 07785 237739

Intro - Your name, where you live, your occupation (If you are retired, what you did before retiring).

Video content - HOW YOU GOT SAVED. PLEASE DO NOT MENTION DENOMINATIONS OR CHURCHES. It is purely how you came to know Jesus and his Saving Grace

Please try and keep the video below 5 minutes

If you then can get your church leaders' backing, we will put your church details on our website for people to see.

If you've recorded your Salvation Story, record, now another testimony from your life as a Christian, using the same formula as above...Our aim will be to post this on Facebook in an evening on LifeStories Extra.

We are looking forward to a blessed evening where we can reach many people across the world!

Eph 1:10 That in the dispensation of the fullness of times he might gather together in one all things in Christ, both which are in heaven, and which are on earth, even in him.

May the Lord bless you and keep you in His love,
Yours in His service,
Allan Jones, on behalf of **lifestoriesworldwide**.
